Although the first signs appear positive for the 2014 tourism season, **the majority of Greek hotels continue to remain in a bad position financially**, according to the president of the Hellenic Federation of Hoteliers, Yiannis Retsos. Speaking during the federation's annual council of hotel associations, held on the sidelines of the 29th Philoxenia exhibition in Thessaloniki, Mr. Retsos underlined that **this year's "good season" was not enough to cover the losses of the past six years.**
